

2018 Blog No 1

Well another new year is on us again, we have a full calendar of scale events, eleven to date. All are on the AHA web site at www.theaha.co.uk and also on the Red Lodge website under events (thanks Nick).

We start with Charmouth on 14th and 15th April (field tbc) following Charmouth we have our own season scale opener to be held on Sunday 13th May at Stonehenge , thanks to Kevin Lever and his club , please try to support this event .We will have trophy's thanks to the AHA for best scale helicopter and runner up on pilots vote . Please note we are unable to offer hot food or toilets at this site, I am told both are available nearby.

Next up is Red Lodge 3rd June please refer to Red Lodge webs site for details of new location.

You will see from the calendar that we have a clash of dates this year, July 27th, 28th and 29th with Southern Heli fest as usual and also a joint F3N/F3C scale meeting at the new BMFA national Centre at Buckminster Lodge.

I apologise for this but it was out of my control. I shall be attending Southern Heli fest , Martin Briggs has agreed to run the flight line at Buckminster Lodge on the Saturday for scale and vintage heli`s. I need a volunteer for Fri and Sunday, anyone willing please contact Steve Roberts at the AHA. Your Membership of the AHA needs renewing as from 1st January 2018 the fee is now £15 and can be done via the website.

See you at Charmouth.

John Cop
