

Blog No 7

A Note just in case anyone has heard that the Eynsford scale meeting on the 10th September is not on, this is wrong, I have had confirmation from the club that is very much **ON** with the usual trophy's and The Len Mount cup. The misunderstanding was that unfortunately Len won't be there due to ill health, so please make an effort to support this event, it's always a good one.

Don't forget the Royston event / Tony Smith road farm HC on the 3rd September, that's the last two events this year prior to Charmouth .

I will in my next blog give a summary of these events and also the Midlands event last weekend (at last a day with no wind on the Sunday and a very good turnout).

Just as a footnote if you haven't yet joined the AHA please consider it, Membership is from Jan – Dec each year and only £10.00 at present. From Feb 2018 I will only be sending out the blog to AHA members. Also please take a look at the web site www.theaha.co.uk some pictures of this year's events are in the scale section gallery.

Best regards,

John Cop
