Road Farm -

Two meetings and both very good turn outs. Our first meeting sponsored by the AHA was held at Road Farm Helicopter club, Royston . .It was a great success, we had 45 Helicopters attending with 19 pilots signing on. A raffle was held and I have big thanks to our generous sponsors, Vario UK , Quick UK , Red Lodge Helicopters , Scale helicopters (Tony Smith) Peter Froude and Jill Perrett and the AHA . The cup for the best scale went to my Wessex, lots of shouts of Fix, but it was on a pilots vote ! A dry day but a little windy! Lots of flying and we raised £275 for the AHA . A massive thank you to Tony Smith and Road Farm HC for the loan of their field and all of you that supported the event.

Red Lodge –

This Event was held near Melton Mowbray on Sunday 4th June, this is an annual event organized by Nick Clark of Red lodge Helicopter . It's always a good day and this year was no exception . Once again dry but a bit windy . A very large turnout over 50 helicopters and a who's who of scale pilots . Some Excellent models both big and small . The pilots choice was won by Paul Hazel with his fabulous Wessex , it was nice to see Ian Bishops EC120 in pristine condition and a new colour scheme, after last year's crash at this event . Thanks Nick for a really good event .

Last but no less don't forget Tony Smiths Road Farm Scale weekend on 24th and 25th June .

Hope to see you all there.

John Cop .
