

Blog No 2

Just to remind you all that Charmouth weekend is 14th – 15th April. It is to be held at the same site we used last year in Oct. The site at Trinity road is not useable owing to heavy rain. The new site should soon be on the AHA website, it is on the road into Lyme Regis, turn off A30 at the Charmouth roundabout and take the Lyme Regis road, the field is about half a mile up on the right next to the golf course. Hope to see you there or at Newlands.

The Scale season opener is to be held at Stonehenge (Kevin Levers) site on Sunday 13th May, please make every effort to support this meeting. This will then be followed by Red Lodge on Sunday 3rd June, a new site this year, please see Red Lodge Helicopter website for details.

I will send out the next blog after these three meetings, let's hope for some good weather!

Details of all other meetings are on the AHA web site and also on Red Lodge helicopter web site (thanks Nick) .

Please note sumner ponds is now a new location and is a plane / helicopter fly – in at the Horsham club site as Sumner ponds cancelled their normal event this year.

Many Thanks,

John Cop
